**Fight for Sight congratulates Anthony P. Adamis M.D., FARVO and Patricia D'Amore, Ph.D., M.B.A., FARVO on receiving the ARVO Champalimaud Vision Award**

Fight for Sight heartily congratulates Anthony P. Adamis, MD, FARVO, Genentech/Roche, who is also affiliated with Harvard Medical School (a 1995 FFS Grant-in-Aid recipient) and Patricia A. D'Amore PhD, MBA, FARVO, Harvard Medical School and Massachusetts Eye and Ear infirmary (a Fight for Sight mentor and Scientific Review Committee member) on being awarded ARVO's Champalimaud Vision Award, the world's largest prize in eye research, for their pioneering work to treat age-related macular degeneration and diabetic retinopathy.
